Longer term Ideas	
<ol style="list-style-type: none"> 1. Permanency Resource Faire – We have held these in the past and they were well attended. Think about including families in this. Time frame maybe late summer 2019 2. Updated Guardianship and Adoption FAQ's – Dave Thomas foundation recently published something. 3. Survey families who didn't take permanency or adoption for feedback on barriers 	
New	
<ol style="list-style-type: none"> 1. Discussed who else needs to be at the meeting. Tiffany is no longer participating. Will probation continue to attend? How can we get a parent/kin participant? We may want to have an STRTP representative. Add a Cultural Broker/Better Life. DHA? 	Karen to discuss with KIm
