Attention: CalWORKs applicants/recipients

You have potential entitlement to benefits under a program known as the College Fee Waiver Program for Veterans' Dependents, if:

1. You are the spouse, surviving spouse, son, or daughter of a veteran who is rated 100 per cent service connected disabling by the Veterans Administration (VA), or a veteran who died from service related causes.
2. You are the son or daughter of a veteran with a VA service connected disability rating, or a veteran who had a VA service connected disability rating at the time of death.

Benefit entitlement under this program means that you would not be required to pay "mandatory system wide tuition or fees" while attending either a California community college, a campus of the California State University (Cal State) system, or a campus of the University of California (UC) system.

If eligible, the College Fee Waiver Program for Veterans' Dependents would not only provide you with the incentive, but also the opportunity to pursue your educational goals.
