61 ENTRIES TO CARE

EXTENDED FOSTER CARE OPEN CASES **271**

Data Point	Data Sources	Methodology
Hotline Calls	Cisco Unified Contact Center Enterprise (UCCE) Call Dashboard	Number of Hotline Calls received
Referrals Received by Response Type	BI[1] report	Number of referrals received (Eval Out category includes Eval Out and NA/Secondary)
Children in Investigated Referrals	BI report	Number of children in investigated referrals (IR and 10 Day only)
New Cases Open	BI report	Cases that started in the calendar year. Cases open 1+ days anytime during the calendar year; includes voluntary and non-voluntary cases
Entries to Care	BI report	Entries of all days in care including all entries (not just first entries) and placements in cases and referrals
Children Removed by Removal Agency	BI report	Percentage of children removed by agency (CPS or Law Enforcement) or Safe Surrender
Warrants Filed on Behalf of Children	Court Services – Centralized Transcription	Number of warrants filed on behalf of children as provided by the Court Services – Centralized Transcription program responsible for processing warrant documents Note: Not all filed warrants result in a Court order for removal
Children in Care	BI report	Counts children in foster care at the 1st of each month

Data Point	Data Sources	Methodology
Average Length of Time in Care	SafeMeasures[3]	Children in care for specified time lengths: • 0-1 year • 1-3 years • 3+ years This includes placements in cases and referrals and only placements of 8 and more days in care
Exits from Foster Care to Permanency*	UC Berkeley CCWIP[3] – Entry Cohorts Over Time report	Average of entry cohorts of which 3 years have elapsed to show exit status at 12, 24 and 24+ months. Selected time periods: • Jul 2018 – Jun 2019 • Oct 2018 – Sep 2019 • Jan 2019 – Dec 2019 • Apr 2019 – Mar 2020 Counts 8 and more days in care only; includes exits by reunification, adoption and guardianship
Children in Care 2+ Years That Exit in 12 Months (P3)*	UC Berkeley CCWIP – P3 report	Selected time period: • Jul 2021 – Jun 2022 • Oct 2021 – Sep 2022 • Jan 2022 – Dec 2023 • Apr 2022 – Mar 2023
Exits from Foster Care	BI report	All exits by reunification, adoption or guardianship
Re-entries into Foster Care*	UC Berkeley CCWIP – P4 report	Selected time period: • Jul 2020 - Jun 2021 • Oct 2020 - Sep 2021 • Jan 2021 - Dec 2021 • Apr 2021 - Mar 2022 (All youth who exited to reunification and guardianship in time period);
Extended Foster Care (EFC) Open Cases	BI report	Number of open cases assigned to the EFC units at any time during each month; this aligns with current EFC case tracking methodology

All data reflects ages 0-17, other than EFC open cases which are typically ages 18-21

*Most data reflects a monthly average; however, some data matches the UCB CCWIP methodology for reporting outcomes and is therefore based on averages of different time periods, as noted on this Guide
