Media Advisory

County Health Officer Media Availability Nov. 4, 2:00 PM - H1N1 Update

Who: **Sacramento County Public Health Division**
Sacramento County Public Health Officer Glennah Trochet, M.D.

What: Dr. Trochet will be available for 30 minutes to provide an update to any interested reporters and news organizations on the status of H1N1 Flu activities in Sacramento County, including vaccination availability to local healthcare providers.

(This will be Dr. Trochet's only window of availability this day)

When: **2:00 PM – 2:30 PM -- November 4, 2009**

Where: **Sacramento County Primary Care Clinic**
4600 Broadway (at Stockton Blvd); Conference Room 2020 (second floor).

Why: H1N1 Flu hospitalizations and reported illnesses have been rising in Sacramento County. A local emergency declared by the Health Officer on November 2 was ratified November 3 by the Sacramento County Board of Supervisors. H1N1 vaccine supply deliveries have been running behind the rates projected by the federal government. Public Health is committed to keeping the community updated on the latest developments in the fight against the H1N1 Flu.
