

**ADULT AND AGING COMMISSION  
Wednesday, May 24, 2023, 2-3:15pm**

**In-Person Location:**

9750 Business Park Drive, Ste. 104, Conference Room 1, Sacramento, CA 95827  
(free parking available; ring bell if door is closed)

**Remote Access:**

Join ZoomGov Meeting  
<https://www.zoomgov.com/j/1601015273?pwd=S2tldjVQd1VzbC82Nk1XaUpQV2doUT09>  
Meeting ID: 160 101 5273  
Passcode: 017189

Guests are welcome to attend in-person or remotely. Commissioners must attend in-person unless they meet the current requirements for remote participation under the Brown Act and a sufficient number of Commissioners will be participating in-person to establish a quorum. Commissioners wishing to participate remotely should contact Catheryn Koss, Commission Chair, at [koss@csus.edu](mailto:koss@csus.edu) as soon as possible prior to the meeting. Anyone seeking reasonable accommodations should email Heidi Richardson at [richardsonh@saccounty.gov](mailto:richardsonh@saccounty.gov).

**We will adjourn at 3:15pm in order to tour Nottoli Place at 3:30pm.** Nottoli Place is located at 3990 Branch Center Road, Sacramento, 95827. This tour is for educational purposes only. No Commission business will be discussed or conducted during the tour.

<b>Commission Membership Changes</b>	Chair	None
<b>Announcements</b>	Open Forum	Discussion
<b>Future Meetings</b>		
Suggestions for future agenda items	Open Forum	Discussion

**DRAFT LETTER OF SUPPORT FOR COMMISSION CONSIDERATION**

May 24, 2023

Dear Sacramento County Board of Supervisors:

The Sacramento County Adult and Aging Commission respectfully requests the Board of Supervisors to support the Sacramento County Department of Transportation (SacDOT) in their application to USDOT FY 2023 Safe Streets and Roads for All Program for the Safer Sacramento County Project.

The vision of Safer Sacramento County is to improve safety and reduce injuries and fatalities from collisions through a multilayered approach within the County's four Environmental Justice Communities: South Sacramento, West Arden, North Highlands, and Vineyard.

On Stockton Boulevard, a high injury corridor, the project constructs a Class IV bikeway, sidewalk infill, and safer crossings, separating cyclists and pedestrians from high volume and high speed traffic. The Pedestrian Wayfinding Mobile Application empowers people to walk or roll to community destinations according to their specific mobility needs along the sidewalk network. The Application can extend pedestrian green time upon request – directly addressing the safety needs of seniors and people with disabilities. This project breathes life into the Golden Hour, by moving emergency responders more quickly to collisions locations and back to nearby hospitals through the integration of signal preemption along four high injury corridors.

The project enhances safety for the County's most vulnerable users while reducing emergency response time to collisions, lessening the risk of injury, and ultimately, saving lives.

Sincerely,

---

Catheryn Koss, Chair  
Sacramento County Adult and Aging Commission

(Approved by the Sacramento County Adult and Aging Commission on 4/24/2023)
